16 and are due January 1 of each year.  
17

19 annual dues prescribed above for all active, active life, retired, dental hygienist, student,  
20 provisional, and dental hygiene student members. Retired life, associate, allied and  
21 honorary members shall pay an annual subscription rate.  
22
- 23 L. Temporary Dues Exemptions. Certain members of this Society shall be granted  
24 temporary exemption from payment of dues.

29 temporarily on active duty with a federal dental service on a non-career basis, shall  
30 be exempt from payment of dues during the period of such duty.
- 31 c. New Graduates. On a one-time basis, the dentist, when awarded a D.D.S. or  
32 D.M.D., shall be exempt from payment of active member dues for the balance of the  
33 year of graduation and for the first full calendar year following the year in which the  
34 degree was awarded, fifty percent (50%) of active member dues in the second year,  
35 and one hundred percent (100%) of active member dues in the third year, and  
36 thereafter.
- 37 d. Members Suffering Hardship. A member of this Society in good standing who  
38 has suffered a significant financial hardship that prohibits payment of full dues may  
39 be excused from the payment of fifty percent (50%), seventy-five percent (75%) or all of  
40 the current year's active member dues as determined by the member's component  
41 dental society. The component society secretary shall certify the reason for the waiver,  
42 and the component society shall provide the same proportionate waiver of dues as that  
43 provided by this Society.

1 e. Disabled Members. A member of this Society in good standing who has been  
2 certified by the component society as totally disabled shall be exempt from payment  
3 of dues during the period of total disability.

4 f. Initial Membership. On a one-time basis, a licensed dentist who has never been a  
5 member of the ADA applying for initial membership and not otherwise eligible as a

8 percent (100%) in the second year and thereafter.

9 g. Graduate Student. A member of this Society, while engaged full-time in an  
10 Illinois accredited internship, residency or graduate degree program shall be exempt

15 ADA promotional incentive shall, on a one-time only basis, pay dues and special

18  
19 Section 7. Multiple Jurisdictions: A member may hold membership in this and other

24 societies and in the American Dental Association. Such members shall pay dues to the  
25 Society but dues to the American Dental Association shall be paid only through the  
26 constituent society in whose jurisdiction the major part of the practice is conducted.

### 29 30 Section 1. Composition:

31 A. The House of Delegates, hereafter known as "House", shall be composed of

33 Vice-Speaker, and a Secretary of the House.

34  
35 B. The House of Delegates shall consist of delegates chosen from the components of  
36 the state. Except for the Chicago Dental Society, delegates shall be allocated to the  
37 components based upon the total membership of each component and based upon  
38 multiples of seventy-five (75): the first delegate being awarded for a membership of one  
39 (1) to seventy-five (75) members, the second delegate being awarded when the  
40 component has reached seventy-six (76) members, the third being awarded when the  
41 component has reached one hundred fifty-one (151) members, and so forth. For the  
42 Chicago Dental Society, delegates shall be calculated based upon the membership of  
43 each branch organization according to the above methodology. The Chicago Dental  
44 Society will determine the distribution of these delegates. Notwithstanding the foregoing

1 calculations, should any component's representation exceed sixty-five percent (65%) of  
2 all components' delegates, then the affected component's delegates shall be decreased  
3 to that percentage.

4 In addition, the Dean and one (1) student from each of the dental schools that  
5 has received its "Initial Accreditation" or maintains "Approval Accreditation Status" from  
6 the Commission on Dental Accreditation in the State of Illinois shall be delegates. Only  
7 active, life and retired members shall be counted in determining total membership. For  
8 the purpose of this section, the number of active, life and retired members of each  
9 component society shall be determined as of the last day of the calendar year preceding  
10 an annual session as reported by the American Dental Association. Two (2) dental  
11 hygienist members of the Society shall be appointed by the Board of Trustees as  
12 delegates, one (1) from the Chicago district area and one (1) from the rest of the state  
13 of Illinois.

14  
15 C. The elective and appointive officers and trustees of the Society shall be ex-officio  
16 members of the House of Delegates without the power to vote. Elective and appointive  
17 officers and trustees may not be designated as a voting delegate. Past Presidents of  
18 the Society and past ADA trustees shall be ex-officio members of the House without the  
19 power to vote unless designated as delegates.

20  
21 Section 2. Powers and Duties: The powers and duties of the House of Delegates shall  
22 be:

26 or individual members.

27  
28 C. To enact, amend or repeal the Constitution and Bylaws of the Society.

29  
30 D. To grant, amend or revoke charters of the component societies.

31  
32 E. To elect honorary members, grant awards, and approve memorials in the name of  
33 the Society.

35 F. To create special committees.

36  
37 G. To adopt an annual budget for the following year.

38  
39 H. To elect officers of the Society and the Speaker and Vice-Speaker of the House of  
40 Delegates.

41  
42 I. To remove an elective officer from office for cause.

1 Section 3. Election of Delegates:

2 A. Any active, life or retired member of the Society shall be eligible for election to the  
3 House. To be eligible for election as a delegate or alternate the member must have  
4 been a member of the component for a minimum of (1) one full year at the time of  
5 election. To be elected as a delegate while being a dental student, such student shall  
6 be a student member of this Society and a member of the American Student Dental  
7 Association. To serve as a delegate, a dental school dean must be a member of this  
8 Society.

9  
10 B. Delegates shall be elected at a meeting of the general membership of each  
11 component or branch at least five (5) months prior to the annual session and in an  
12 elective manner as determined by each component. Each district will organize its  
13 delegation as it determines, electing one delegate to serve as a chair of the delegation.  
14 Delegates representing dental students shall be elected by members of the American  
15 Student Dental Association in each of the dental schools.

16  
17 C. Each component or branch may elect one alternate delegate for each delegate to
