

## **Thanks to Our Generous New Dentist Resource Guide Sponsors**

*Posted: March 2018*

The Illinois State Dental Society publishes the *New Dentist Resource Guide* biannually as a valuable information tool for new dentists and their dental team members. In her message to the new dentist recipients, ISDS President Dr. Barbara Mousel stated that, "Many of us recall being in the early stages of our careers and in need of advice leading to professional success." ISDS is available to new dentists as a vital information source, a listening ear for concerns, and opportunities for leadership within the Society. The New Dentist Committee—Drs. Samantha Arnold (Chair), Nic Baker, Jason Foreman, Kristi Hobbie, Ashley Kauffman, Bryce Larson, Edmund March, and Claire Pescheret—would like to thank the sponsors of the 2018-2019 Guide:
