

## **ISDS Dental Leaders Conference April 13**

*Posted: 12/29/2011*

Plan to send your component, branch, or specialty group's incoming leaders/officers to ISDS headquarters for an all-day "Dental Leaders" Conference and orientation on Friday, April 13. Previously known as the President-elect's Conference, the training has been expanded to include all incoming officers and leaders to help them in whatever role they serve.

Please contact [Lisa Fowler](#) for details on reserving a sleeping room or to register for the conference. If your president-elect is unable to attend, please designate a substitute to join the conference. Attendees will be paid mileage and reimbursed for one night's lodging.
