

## **Keep IDFPR Informed of Address Changes**

*Posted: February 24, 2010*

A new, three-year licensure period began October 1, 2009. Keep the Illinois Department of Financial and Professional Regulation (Division of Professional Regulation) of mailing address changes. If you move during the three-year licensure period and fail to notify IDFPR, your license renewal will not be forwarded and you could potentially face disciplinary action for non-renewal of your license(s). Non-receipt of your renewal form is not an acceptable excuse for an expired license. Update your address information by calling 217/785-0800, or visiting [www.idfpr.com](http://www.idfpr.com).
