

Members Reappointed as ADA Spokespersons

Posted: February 24, 2010

Congratulations to ISDS members Dr. Alan Boghosian, Dr. Mary Hayes, and Dr. Robert Pick, all of Chicago, who were recently reappointed as American Dental Association spokespersons. Each year, the ADA Board of Trustees reviews and appoints member dentists to serve as official spokespersons for the ADA. Dr. Boghosian is a spokesperson on Dental Materials, Dr. Hayes on Pediatric Dentistry, and Dr. Pick on Periodontics and Lasers/Dental Implants. ISDS thanks them for their service to the national organization.
