

# 2019 Hygiene Member Renewal Steps

After clicking on the link for 2019 Hygiene Membership [here](#), follow these steps:

## Login

The page you have requested requires user authentication.

User ID/ADA Number

[Forgot User ID](#)

User ID is required.

Password (case sensitive)

[Forgot Password](#)

Password is required.

All ADA passwords must be at least eight characters long and contain at least one uppercase letter, lowercase letter and number.

Log In

Create an Account

Remember me

Non-dentist: [Create a new account](#) ←

If you have been a Hygiene Member of ISDS prior to 2019, a User ID has previously been assigned to your membership record. With 2019 being the first year of online renewals for our Hygiene Members, this will be the first year you may utilize this User ID, and you will need to establish or reset your password. Commonly, your User ID is your primary email address supplied to ISDS, but ISDS has emailed out to current and previous Hygiene Members their User ID in an email. Please look for this email to retrieve your User ID.

If you have not received an email with your User ID, you will need to click on the “Create a new account” after Non-dentist:

Next Page →

# Non-Dentist Account Creation

\* designates required fields

**Personal Information**

First Name  \*

Last Name  \*

Email  \*

 **Email has already been used** ←

If you try to create a new account and receive the message above that “Email has already been used”, a User ID may already exist, and you can retrieve it by going back one screen and clicking “Forgot User ID”.

Otherwise, proceed with the account creation process. If any account creation issues still result, you may contact the American Dental Association for assistance at 800/621-8099 or by email at [mcpassword@ada.org](mailto:mcpassword@ada.org). ISDS utilizes the ADA’s online membership software.

**You may have to click on the Hygiene Membership link again ([located here](#)) after your account has been created in order to pay Hygiene Member dues.**

The Hygiene Membership renewal page will have the ISDS logo at the top and this below:

Product Code: Available: Yes

Member Price: \$50.00

Retail Price: \$50.00

Quantity  ←

**Add To Cart**

**View Cart** **Back to Catalog**

**Each hygienist will need to create their own individual login and purchase their own membership. Do not change the Quantity above, or else ISDS will not know who to include as additional hygiene members and will have to refund your order.**

At this point, you may “Add To Cart” and check out.

Next Page →

After checking out, you will receive an Order Confirmation that will include your 6 Digit “Customer Number”, which will also serve as your Member Number. This number is needed to register for events such as the Chicago Dental Society’s (CDS) Midwinter Meeting. While this Member Number may not change from year-to-year, CDS verifies that each Member Number has renewed its membership in order to attend.

**Order Confirmation**
