**2020 ISDS Dental Hygienist Member Renewal Steps**

After clicking on the link for 2020 Hygienist Membership [here], follow these steps:

If you have been a Hygienist Member of ISDS prior to 2020, a User ID has previously been assigned to your membership record. Commonly, your User ID is your primary email address supplied to ISDS, and ISDS has emailed out to current and previous Hygienist Members their User ID in an email. Please look for this email to retrieve your User ID.

If you have not received an email with your User ID, please check your “spam” folder first, otherwise you will need to click on the “Create a new account” after Non-dentist:
Non-Dentist Account Creation

* designates required fields

Personal Information

<table>
<thead>
<tr>
<th>Field</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Name</td>
<td>Eric</td>
</tr>
<tr>
<td>Last Name</td>
<td>Larson</td>
</tr>
<tr>
<td>Email</td>
<td><a href="mailto:elarson@isds.org">elarson@isds.org</a></td>
</tr>
</tbody>
</table>

⚠️ Email has already been used

If you try to create a new account and receive the message above that “Email has already been used”, a User ID may already exist, and you can retrieve it by going back one screen and clicking “Forgot User ID”. If you know your User ID but not password, you can click “Forgot Password” to start the password reset process.

Otherwise, proceed with the account creation process.

If your account has already been created and any password reset issues persist, please contact the ISDS at 800-475-4737 or info@isds.org to request to have your password reset.

You may have to click on the Hygienist Membership link again (located here) after your account has been created in order to pay Hygienist Membership dues.

The Hygienist Membership renewal page will have the ISDS logo at the top and this below:

Product Code: 
Member Price: $50.00
Retail Price: $50.00

Available: Yes
Quantity 1

Add To Cart
View Cart | Back to Catalog

Each hygienist will need to create their own individual login and purchase their own membership. Do not change the Quantity above, or else ISDS will not know who to include as additional hygienist members and will have to refund your order.

At this point, you may “Add To Cart” and check out.
After checking out, you will receive an Order Confirmation that will include your 6 Digit “Customer Number”, which will also serve as your Member Number. You will also receive an email receipt that includes this number as well. This number is needed to register for events such as the Chicago Dental Society’s (CDS) Midwinter Meeting. While this Member Number may not change from year-to-year, CDS verifies that each Member Number has renewed its membership in order to attend.

CDS Midwinter Meeting Pricing (Hygienist Member vs. Non-Member)

A large number of ISDS Hygienist Members attend the CDS Midwinter Meeting, and as a Membership benefit, are able to attend this meeting free (up to a $95 value) or at a reduced rate, see table below. Registration opens November 1st (Click to Here to Register).
