

2020 Mission of Mercy Site

January 2019

Exciting news! The ISDS Foundation's 2020 Mission of Mercy Ad Hoc Committee reviewed three potential sites and proposals for the next MOM: MercyHealth Sportscore 2, Rockford (submitted by Winnebago Dental Society), Rock Valley College Physical Education Center, Rockford (submitted by Winnebago Dental Society) and the State Farm Center (former Assembly Hall), Champaign (submitted by Jerry Ragle and Illini District Dental Society). After careful review of potential costs, community need and component preparedness, the 2020 Mission of Mercy will take place on June 25-27, 2020, at the Rock Valley College Physical Education Center in Rockford. The local MOM committee comprises Drs. Perry Tuneberg, Brian Soltys, Lito Lopez, H. Cyrus Oates, and Jason Grinter. Questions?
