

How to Update Your ADA® Find-a-Dentist™ Profile

Help patients find you by updating your ADA® Find-a-Dentist™ profile! With the new Find-a-Dentist tool, patients will be able to search by payment options, benefits accepted, dental specialty and zip code. Completed profiles with a photo appear at the top of the search results, so make sure to fill out all fields. Updating your profile is easy and only takes 5 minutes.

STEP 1

Go to [ADA.org/MyADA](https://ada.org/MyADA)

Login using you ADA User ID (Member Number) and password. If you do not know your User ID and/or password, you can speak directly to a Member Service Center representative by clicking the orange Live Chat button on the right side of the screen or by calling 800.621.8099.

How to Update Your ADA® Find-a-Dentist™ Profile

Your information will be separated by 3 tabs at the top:

1 Personal Profile

2 Address, Phone, Hours

3 Practice Information

STEP 3

Tab 1: Personal Profile

Upload a Photo

Upload a recent, close up photo of yourself to appear in your Find-a-Dentist profile. Click “choose file” or “browse” depending on your internet browser to select a photo saved to your computer. The photo should be a .jpg or .png file, at least 450x450 pixels and no larger than 5MB. Select the photo file and click “open.”

If you don't have a photo, add one today! Profiles with photos get 11 times more clicks than those without, and they show up higher in search results.

If you do have a photo, make sure it's current and a close-up. (Think about a passport photo: Include your head and shoulders – but unlike a passport photo, you can smile!)

Profile Photo Update

Please use the "Choose File" button below to upload a photo from your computer. Your photo should have the following characteristics:

- Image should be at least 450x450 pixels
- Use .jpg or .png
- Image no larger than 5MB
- Include head and shoulder image of dentist with clean background
- After uploading your photo please click the Save and Continue button at the bottom of this page

How to Update Your ADA® Find-a-Dentist™ Profile

Congratulations!

You have successfully updated your profile! Patients will be able to find you in the new Find-a-Dentist tool. Be sure to check your My ADA dashboard to see how many visits your profile receives.

The screenshot shows the ADA Member Center interface. At the top, there's a navigation bar with 'ADA WEBSITES' and social media icons. The main header includes the ADA logo and 'Welcome, Jane A Dentist' with links to 'My ADA', 'About the ADA', 'Contact', '\$ (0)', and 'Logout'. A secondary navigation bar lists 'MEMBER CENTER', 'EDUCATION/CAREERS', 'SCIENCE/RESEARCH', 'ADVOCACY', 'PUBLICATIONS', and 'PUBLIC PROGRAMS'. The 'MEMBER CENTER' section is active, showing a breadcrumb trail: 'Home > Member Center > My ADA > Update Practice'. The 'Profile' section on the left lists four items: '1. Update Personal Profile', '2. Update Address, Phone Number and Office Hours', '3. Update Practice Information' (which is highlighted with a right arrow), and 'Update Other Organizations Memberships'. Below this is 'Update Your Security Settings'. The main content area shows three progress steps: 'Personal Profile', 'Address, Phone, Hours', and 'Practice Information', all marked with green checkmarks. A green message states: 'Thank you! Completing your MyADA profile will prepare your information for ADA communications, member benefits and a brand new Find-a-Dentist search experience for prospective patients launching Spring 2017.' Below this, it notes: 'Please note your updates will go live in April 2017 with the launch of the enhanced Find-a-Dentist tool.' At the bottom, contact information for the Member Service Center (MSC) is provided: 'If you have any questions, call the Member Service Center (MSC) at 800.621.8099 or email msc@ada.org. The MSC is available between 8 a.m. and 5 p.m. Central time on weekdays.' A vertical 'LIVE CHAT' button is on the right side.
