

Nomination for
Illinois State Dental Society
Lifetime Achievement Award

The Illinois State Dental Society Lifetime Achievement Award was established to recognize longstanding members who have continually dedicated much of their professional career to the advancement of the Illinois State Dental Society. For decades, these extraordinary members have repeatedly volunteered time and effort serving for the betterment of the Society.

Any member may nominate an active life, retired life or retired member for this award.

This completed nomination form must be received at the ISDS Headquarters Office by June 1.
