

## **Nominate a Member for a Special Achievement Award**

Posted January 2019

Any member may submit nominations for the following three Society recognition awards. The **Lifetime Achievement Award** recognizes longstanding members who have continually dedicated much of their professional career to the advancement of the ISDS and repeatedly volunteered time and effort serving for the betterment of the Society. The **Distinguished Member Award** recognizes colleagues who have tirelessly made significant contributions to the service of humankind by extending the profession of dentistry into civic, cultural, religious, and humanitarian areas. The **Humanitarian Award** recognizes member dentists who have distinguished themselves by giving at least 10 years to improving the oral health of underserved populations in the United States and/or abroad. **Nominations are due June 1.** Talk to [Janine Oxencis](#) for more information or visit our [Awards](#) webpage.
