The Sullivan Membership Action Award

The **Sullivan Membership Action Award** is a unique opportunity for ISDS components and CDS branches to be recognized for their efforts to increase and maintain membership in the ADA tripartite membership organization and to help other components/branches gain awareness on activities being performed by others.

Two awards will be given – one to either a component or branch with membership greater than or equal to 100 dentists and one to either a component or branch with membership less than 100 dentists.
