

DENT-IL-PAC Credentialing Process

At the upcoming Annual DENT-IL-PAC Breakfast, the contributors present will be voting on proposed changes to the DENT-IL-PAC Constitution. To be able to vote you must be a DENT-IL-PAC contributor.

To complete this voting process, the contributors who attend the breakfast must be credentialed.

To help streamline the credentialing process, we ask that contributors please register for the DENT-IL-PAC Breakfast in advance. This process can be completed by registering for the ISDS Annual session, which can be found by clicking [here](#).

Upon arrival at the breakfast, please go to the check-in table. At that table, ISDS staff will determine pre-registration and whether a contribution has been made to the DENT-IL-PAC.

If you have donated to DENT-IL-PAC, a ballot to vote on the proposed changes will be provided. It is important to keep the individual ballot until it is time to vote.

During the breakfast, a vote of the proposed constitution changes will take place.

At the appropriate time, those with ballots will be asked to mark their vote on their ballot. Ballots will be put into the designated box and counted by the credentialing committee.

Following the count of ballots, the vote total will be announced.
